

Webinar Roundtable # 1 of 2

The Management Perspective on the Benefits of Innovation Procurement

Within a digital round table setup a selection of top managers from Belgium, Greece and Spain give insights into the benefits and positive side effects of Innovation Procurement. They tell us how Innovation Procurement can be part of a new organizational agile mind-set to optimize overall performance and services and how it can create new dynamics with the market. They share and discuss their challenges and practical ways to tackle them successfully.
