

WEBINAR

INNOVATION PROCUREMENT AS A CATALYST FOR THE UPTAKE OF SECURITY RESEARCH OUTCOMES

14th December 2023 – 10:00- 12:00 CET

**A webinar for European Digital Innovation Hubs and Seal of Excellence EDIHs
European public sector organisations, suppliers and policy makers**

By stimulating the development and adoption of innovative solutions, public procurement is an important driver for the digital transformation of public sector organisations and enterprises. In this context, this webinar focuses on how Innovation Procurement can act as a catalyst for the uptake of security research outcomes based on genuine needs, to speed up the digital transformation and enhance the security of citizens. Concrete examples of innovation procurement in the security domain will be presented. The webinar will also provide the opportunity for participants to ask questions before, during and after the sessions.
